Intrigued by a certain freewheeling eclecticism found in ATF faces from the turn of the 20th century, Juliet Shen constructed her own unabashedly quirky homage. Vivid character lends distinction, creating a notably clear text performance, even at small sizes. Named for Henry Lewis Bullen, influential printer & ATF librarian, talented visionary & erstwhile rogue, the typeface Bullen is likewise both serious and offbeat; FB 2011

For about \$65, the jolly housewives made 'inexpensive' meals using only a quick-frozen vegetable.* A jaded zombie, acting quaintly, kept driving those 310 oxen forward. At my grand prix, J. Blitzen was equally vilified for his funky ways. My dear old grandfather spent his days quickly carving 194 wax buzzards, mostly out of junks. **Jimmy and Zack, as the police explained, were last seen diving into a field of buttered quahogs.** Will Major Douglas be expected to take a true/false quiz very soon? Five big juicy steaks sizzled in a pan while six workmen left the quarry. A mad boxer shot some quick, gloved jabs right to the jaw of his dizzied opponent. All of that jukebox music puzzled the gentle visitors from a quaint valley town. Waltz, nymphs! For quick jigs vex poor Bud. When we go back to Juarez, Mexico, will we get to fly up over picturesque Arizona? Sixty zippers were quickly picked from our old
