In 1952 Walter Tracy at Linotype & Machinery commissioned Juliana from Sem Hartz, Jan van Krimpen's successor at Enschedé. Released in 1958, the high style and narrow width of Juliana's engraved letterforms opened the British paperback market to L&M. Elegance and economy return to fashion as David Berlow's faithful cutting shaves a graceful seven percent off normal paper costs with no loss of readability; FB 2009

GRUMPY WIZARDS MADE 25 TOXIC BREWS FOR THE EVIL QUEEN & JACK. LAZY MOVER quit hard packing of the papier-mâché jewelry boxes. Back at my quaint gardens: jaunty zinnias vied with flaunting phlox. Hark! 4,872 toxic jungle water vipers quietly drop on zebras for meals! New farmer's hand (picking just sixty quinces) proved stronger but lazy. For only \$65, the jolly housewives made "inexpensive" meals using quick-frozen vegetables. The jade zombie acted quaintly but kept driving the 310 oxen forward. At my grand prix, J. Blitzen was equally vilified for his funky ways. My dear grandfather spent his days quickly carving 14 wax buzzards, mostly from junk. When we go back toward Juarez, Mexico, do we fly over picturesque Arizona? MURKY HAZES ENVELOPED A MAJOR CITY AS BIG JARRING QUAKES BROKE 146 GLASS WINDOWS. Pack my box with seventeen dozen peach liquor jugs. Will Major Douglas be expecting to take that true/false quiz very soon? This mad boxer shot a quick, gloved jab to the jaw of his dizzy opponents. Just work for improved basic techniques in order to maximize your touch type skills. *That jukebox music puzzled the gentle visitors from some quaint valley town.* Nancy Bizal exchanged her vows with Robert J. Kumpf at the Quincy Temple. Jimmy n' Zack, the police explained, were last seen driving into fields of butter quahogs. Monique, the buxom coed likes to fight for Pez with the junior varsity team. The quick brown fox jumps over a lazy dog. Pickled, Gorbachev jump raw fax quizzes. Sympathizing would fix those
